For the purposes of the salary schedule, a teacher will have worked a “year” if he/she works at least 160 days.

Districts shall distribute funding for health insurance coverage in accordance with state law, the Affordable Care Act, and policy 7.23-Health Care Coverage and the Affordable Care Act. The District reserves the right to adjust the monthly distribution as necessary to account for changes in staffing, student population, and the ADE determination of the funding required to be distributed based on the funding matrix. Specifically, the amount

distributed to each employee is NOT part of their salary and is NOT guaranteed to be the same from month-to-month or year-to-year.

For the purposes of this policy, a master's degree or higher is considered "relevant to the employee's position" if it is related to education, guidance counseling, or the teacher's content area and has been awarded for successful completion of a program at the master's level or higher by an institution of higher education accredited under Arkansas statutory requirements applicable at the time the degree was awarded.

Teachers who have earned additional, relevant degrees or sufficient college hours to warrant a salary change are responsible for reporting and supplying a transcript to the superintendent. The appropriate salary increase will be reflected in the next paycheck provided it is at least two (2) weeks from the time the notice and documentation is delivered. All salary changes will be on a "go forward" basis, and no back pay will be awarded.

Arkansas Professional Pathway to Educator Licensure (APPEL) Program

Each employee newly hired by the district to teach under the Arkansas Professional Pathway to Educator Licensure (APPEL) Program shall initially be placed on the salary schedule in the category of a bachelor's degree with no experience, unless the APPEL program employee has previous teaching experience which requires a different placement on the schedule. Upon receiving his/her initial or standard teaching license, the employee shall be moved to the position on the salary schedule that corresponds to the level of education degree earned by the employee which is relevant to the employee's position. Employee's degrees which are not relevant to the APPEL program's position shall not apply when determining his/her placement on the salary schedule. A teacher with a non-traditional provisional license shall be eligible for step increases with each successive year of employment, just as would a teacher possessing a traditional teaching license.

Licensed employee, seeking additional area or areas of licensure

Licensed employees who are working on an alternative licensure plan (ALP) to gain licensure in an additional area are entitled to placement on the salary schedule commensurate with their current license, level of education degree and years of experience. Degrees which are not relevant to the employee's position shall not apply when determining his/her placement on the salary schedule.

Notes: A.C.A. § 6-11-129 requires employee contract information to be available on the district's website and also identifies the contract items that must be redacted.

A.C.A. § 6-13-635 requires the Board to adopt a resolution that it has reviewed and adopted all salary increases of 5% or more, but most of the Act's listing of reasons are statutorily required raises and are paid by the state and not district funds. The Act's language requires the resolution even for an employee who moves from one position to another higher paying position such as going from teaching to administration. None-the-less, the resolution is required. Policy 1.9 directs the Board to review the salaries when adopting changes to this policy. We recommend the following language:

Whereas, the superintendent has identified all changes from last school-year's published salary schedule, and has identified and presented the Board of Directors with each employee's salary increase of 5% or more as required under A.C.A. § 6-13-635 and created a spreadsheet explaining each;

Therefore, the Norfolk School District Board of Directors approves and resolves that the spread sheet including those explanations are a factual representation of the raises given for the **2014-2015** school-year.

3.2—LICENSED PERSONNEL EVALUATIONS

Definitions

“Building level or district level leader” means an individual employed by the District whose job assignment is that of a building level or district level administrator or an equivalent role, including an administrator licensed by the State Board of Education, an unlicensed administrator, or an individual on an Administrator Licensure Completion Plan. Building level or district level leader does not include the superintendent, deputy superintendents, associate superintendents, and assistant superintendents.

"Inquiry category" is a category in which the building level or district level leader consistently demonstrates progressing, proficient, and/or exemplary performance on standards and functions in the Leader Excellence and Development System (LEADS) rubric.

“Intensive Category” is a category in which a building level or district level leader receives a rating of not meeting standards on the summative evaluation rubric as defined by the LEADS Rules.

"Novice Category" is a building level or district level leader who has not completed three consecutive years of experience in one district as a building level or district level administrator.

“Probationary” is a building level or district level leader who has transitioned within the District from one building level or district level administrator position to another or who is hired by the District and has completed his/her novice category period at another district. The probationary period is one-year.

"Probationary teacher" has the same definition as A.C.A. § 6-17-1502.³

"Teacher" has the same definition as A.C.A. § 6-17-2803(19).

Teachers

Teachers will be evaluated under the provisions and timelines of the Teacher Excellence Support System (TESS).

The superintendent or designee(s) shall develop procedures to govern the evaluation process and timelines for the evaluations.

Teachers will be evaluated under the schedule and provisions required by TESS. Each school-year, the district will conduct a summative evaluation over all domains and components on all probationary teachers as well as any teacher currently on an "intensive support" improvement plan or who has successfully completed intensive support or participated in an improvement plan during the current or previous school-year. All teachers not covered in the previous sentence will have a summative evaluation over all domains and components at least once every three years. To establish the initial three-year rotation schedule for non-probationary teachers to be summatively evaluated, at least one-third of each school's non-probationary teachers will be selected for evaluation by voluntary basis and random drawing, if there are the number of volunteers does not meet one-third.

All teachers shall develop a Professional Growth Plan (PGP) annually that must be approved by the teacher's evaluator. If there is disagreement between a teacher and the teacher's evaluator concerning the PGP, the decision of the evaluator shall be final.

In an interim appraisal year, the teacher's annual performance rating will be derived from the average score of the components that align with the teacher's PGP.

In a summative evaluation year, the teacher's annual overall rating will be derived from both the teacher's performance rating and the applicable student growth measure as defined in the Arkansas Department of Education (ADE) TESS Rules.

While teachers are required to be summatively evaluated once every three-years, the teacher's evaluator may conduct a summative evaluation in any year.

In addition to a teacher's summative evaluation, an evaluator or designee shall conduct interim teacher appraisals during the year to provide a teacher with immediate feedback about the teacher's teaching practices; engage the teacher in a collaborative, supportive learning process; and help the teacher use formative assessments to inform the teacher of student progress and adapt teaching practices based on the formative assessments.

Evaluators may also conduct informal classroom observations during the year for the same purpose as a formal classroom observation but that are of shorter duration and are unannounced.

Building Level or District Level Evaluations

Building level or district level leaders will be evaluated under the schedule and provisions required by LEADS.

The superintendent or designee(s) shall develop procedures to govern the evaluation process and timelines for the evaluations.

Novice category and probationary⁵ building level or district level leaders, those building level or district level leaders who have been placed in the Intensive category, and those building level or district level leaders who have not had a summative evaluation the previous two years will have a summative evaluation. A building level or district level leader shall complete a PGP based on the standards and functions determined during the initial summative evaluation meeting with the superintendent or designee. If there is disagreement between a building level or district level leader and the leader's evaluator concerning the PGP, the decision of the evaluator shall be final. In subsequent years, he/she shall revise his/her PGP and associated documents required under LEADS.

The building level or district level leader shall annually revise his/her PGP and associated documents required under LEADS. In a non-summative evaluation year, his/her job performance will be measured on how well the PGP's goals have been met.

When the Superintendent or designee conducts a summative evaluation, he/she will base the building level or district level leader's continuing employment recommendation on:

- The level of performance based on the performance functions and standards of the evaluation rubric;
- The evidence of teacher performance and growth applicable to the building- or district-level leader; and

- The building- or district-level leader's progression on his or her professional growth plan.

To establish the initial three-year rotation schedule for inquiry category building level or district level leaders to be summatively evaluated, at least one-third of each school's inquiry category building level or district level leaders will be selected for evaluation by voluntary basis and random drawing, if there are the number of volunteers does not meet one-third.

While building level or district level leaders are required to be summatively evaluated once every three-years, the Superintendent or designee may conduct a summative evaluation in any year.

3.3—EVALUATION OF LICENSED PERSONNEL BY RELATIVES

3.4—LICENSED PERSONNEL REDUCTION IN FORCE

SECTION ONE

H. Reductions in Force: Should any number of factors such as declining enrollment, lack of sufficient finances, or program changes result in a decision of the Board to conduct a reduction in force, the following procedures will be performed. A program change is defined as any elimination, curtailment, or reorganization of a curriculum offering, school operation, or consolidation of two or more individual schools. (Added as Change 2 by Board action in November 2003)

- (1.) Every effort will be made to limit such activities to voluntary retirements, resignations, and voluntary transfer of duties. Should such be inadequate, the Board shall endeavor to accomplish these reductions by non-renewal at the end of a contract period. Only under exigent conditions shall such reductions be accomplished by dismissal or termination during the contract period.
- (2.) Teachers not holding a proper Arkansas Teachers Certificate will be terminated first, provided that there are other fully qualified and certified teachers to replace and perform all the assigned duties of the terminated teacher.
- (3.) If the joint effect of the above does not eliminate the necessary reductions, then teachers with the least number of years of continuous teaching experience in the school district will be terminated, or their contracts not renewed, provided there are fully qualified and certified teachers to perform all the needed duties of the terminated teacher. These duties may be absorbed by existing staff who will be assigned to perform such tasks. In cases where two or more teachers were employed in the same year, the dates of the first contract shall be used to determine seniority.
- (4.) The terms and conditions, including due process, cited elsewhere in these policies and the continuing contract law, shall apply in cases of reductions in force; just as in any other reason(s) for termination of employment.

SECTION TWO

In the event the district is involved in an annexation or consolidation, teachers from all the districts involved will be ranked according to years of service, licensure, degrees, and training. A year of teaching at an annexed or consolidated district will be counted the same as a year at the receiving or resulting district. No credit for years of service will be given at other public or private schools, or for higher education or Educational Service Cooperative employment.

3.5—LICENSED PERSONNEL CONTRACT RETURN

A. All contracts for instructional personnel employed by the Board of Education, with the exception of substitutes, shall be in writing and signed by officers as provided by law.

B. With the exception of Superintendent, all contracts shall be for annual periods or fractions thereof.

C. Personnel employed for the first time in the district will be issued a contract only after they have been officially employed by the School Board. All contracts for new instructional personnel that are not considered probationary teachers as defined by the "Teacher Fair Dismissal Act of 1983" shall be employed on a probationary status for one year.

D. The School Board will consider rehiring certified personnel no later than March 31st of each year. Final decisions on contracts will be made by May 1st of each year.

E. All contracts will be issued at the earliest feasible date after approval. All offers to renew annual contracts shall expire if the completed contract is not signed and returned to the Superintendent's Office within thirty (30) days of issuance. An employee shall have thirty (30) days from the date of the receipt of his contract for the following school year in which to return the contract, signed, to the office of the Superintendent. The date of receipt of the contract shall be presumed to be the date of a cover memo which will be attached to the contract.

Failure of an employee to return the signed contract to the office of the Superintendent within thirty (30) days of the receipt of the contract shall operate as a resignation by the employee. No further action on the part of the employee, the Superintendent, or the School Board shall be required in order to make the employee's resignation final.

F. The Norfolk School Board will not consider nor honor a request for release of contract from personnel unless such request is made prior to the regular school board meeting in July of each year, unless the request involves unusual or special circumstances, or these requests are of an emergency or medical nature.

G. Only credit hours accumulated toward an advanced degree, or certification hours will be used to determine advancement on the salary schedule. The principal or superintendent must approve in writing, all credit hours taken for advancement on the salary schedule. This approval will be maintained in the individual's personnel file for future reference. Hours taken in an academic year must be verified with a transcript by July 1, or at the end of the first summer term, in order for the individual to be compensated for advancement on the salary schedule for the coming academic year. Individuals requesting approval for hours taken towards an advanced degree must have an approved degree plan from a college or university on file with the superintendent.

3.6—LICENSED PERSONNEL EMPLOYEE TRAINING

For the purposes of this policy, professional development (PD) means a set of coordinated, planned learning activities for District employees who are required to hold a current license issued by the State Board of Education as a condition of employment that:

- Is required by statute or the Arkansas Department of Education (ADE); or
- Meets the following criteria:
 - Improves the knowledge, skills, and effectiveness of teachers;
 - Improves the knowledge and skills of administrators and paraprofessionals concerning effective instructional strategies and methods;
 - Leads to improved student academic achievement; and
 - Is researched-based and standards-based.

All employees shall attend all local PD training sessions as directed by his/her supervisor.

The District shall develop and implement a professional development plan (PDP) for its licensed employees. The District's PDP shall, in part, align District resources to address the PD activities identified in each school's Arkansas Comprehensive School Improvement Plan (ACSIP) and incorporate the licensed employee's PDP. The plan shall describe how the District's categorical funds will be used to address deficiencies in student performance and any identified academic achievement gaps between groups of students. At the end of each school year, the District shall evaluate the PD activities' effectiveness in improving student performance and closing achievement gaps.

Each licensed employee who is on a 190 day contract shall receive a minimum of sixty (60) hours of PD annually to be fulfilled between June 1 and May 31. All licensed employees are required to obtain thirty six (36) hours of approved PD each year over a five-year period as part of their licensure renewal requirements. PD hours earned in excess of each licensed employee's required number of hours in the designated year cannot be carried over to the next year.

Licensed employees who are prevented from obtaining the required PD hours due to their illness or the illness of an immediate family member as defined in A.C.A. § 6-17-1202 have until the end of the following school year to make up the deficient hours. Missed hours of PD shall be made up with PD that is substantially similar to that which was missed and can be obtained by any method, online or otherwise, approved by ADE. This time extension does not absolve the employee from also obtaining the following year's required hours of PD. Failure to obtain required PD or to make up missed PD could lead to disciplinary consequences, up to termination or nonrenewal of the contract of employment.

The goal of all PD activities shall be improved teaching and learning knowledge and skills that result in individual, team, school-wide, and District-wide improvement designed to ensure that all students demonstrate proficiency on the state's academic standards. The District's PD plan shall be research-based and standards-based and in alignment with applicable ADE Rules and/or Arkansas code.

Teachers, administrators, and paraprofessionals shall be involved in the design, implementation, and evaluation of the plan for their own PD offerings. The results of the evaluation made by the participants in each program shall be used to continuously improve the District's PD offerings and to revise the school improvement plan.

Flexible PD hours (flex hours) are those hours which an employee is allowed to substitute PD activities, different than those offered by the District, but which are still aligned to the employee's Individual Improvement Plan, Professional Growth Plan, or the school's ACSIP. The District shall determine on an annual basis how many, if any, flex hours of PD it will allow to be substituted for District scheduled PD offerings. The determination may be made at an individual building, a grade, or by subject basis. The District administration and the building principal have the authority to require attendance at specific PD activities. Employees must receive advance approval from the building principal for activities they wish to have qualify for flex PD hours. To the fullest extent possible, PD activities are to be scheduled and attended such that teachers do not miss their regular teaching assignments. Six (6) approved flex hours credited toward fulfilling the licensed employee's required hours shall equal one contract day. Hours of PD earned by an employee that are not at the request of the District and are in excess of the employee's required hours, or not pre-approved by the building principal, shall not be credited toward fulfilling the required number of contract days for that employee.³ Hours earned that count toward the licensed employee's required hours also count toward the required number of contract days for that employee. Employees shall be paid their daily rate of pay for PD hours earned at the request of the District that necessitate the employee work more than the number of days required by their contract.

Teachers and administrators who, for any reason, miss part or all of any scheduled PD activity they were required to attend, must make up the required hours in comparable activities which are to be pre-approved by the employee's appropriate supervisor.

To receive credit for his/her PD activity each employee is responsible for obtaining and submitting documents of attendance, or completion for each PD activity he/she attends. Documentation is to be submitted to the building principal or designee. The District shall maintain all documents submitted by its employees that reflect completion of PD programs, whether such programs were provided by the District or an outside organization.

To the extent required by ADE Rules, employees will receive up to six (6) hours of educational technology professional development that is integrated within other professional development offerings including taking or teaching an online or blended course.

The following PD shall count toward a licensed employee's required PD hours to the extent the District's or school's PD plan includes such training, is approved for flex hours, or is part of the employee's PDP and it provides him/her with knowledge and skills for teaching:

- Students with intellectual disabilities, including Autism Spectrum Disorder;
- Students with specific learning disorders, including dyslexia;
- Culturally and linguistically diverse students;
- Gifted students.

Beginning in the 2013-14 school-year and every fourth year thereafter, all mandated reporters and licensed personnel shall receive two (2) hours of PD related to child maltreatment required under A.C.A. § 6-61-

133(d)(e)(2). For the purposes of this training, "mandated reporters" includes school social workers, psychologists, and nurses.

Beginning in school-year 2014-15 and every fourth year thereafter, teachers shall receive two (2) hours of PD designed to enhance their understanding of effective parental involvement strategies.

Beginning in school-year 2014-15 and every fourth year thereafter, administrators shall receive two (2) hours of PD designed to enhance their understanding of effective parental involvement strategies-and the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation.

Beginning in the 2015-16 school-year and every fourth year thereafter, all licensed personnel shall receive two (2) hours of PD in teen suicide awareness and prevention which may be obtained by self-review of suitable suicide prevention materials approved by ADE.

Beginning in the 2016-17 school-year and every fourth year thereafter, teachers who provide instruction in Arkansas history shall receive at least two (2) hours of PD in Arkansas history as part of the teacher's annual PD requirement.

Anticipated rescuers shall receive training in cardiopulmonary resuscitation and the use of automated external defibrillators as required by ADE Rule. Such training shall count toward the required annual hours of PD.

At least once every three (3) years, persons employed as athletics coaches shall receive training related to the recognition and management of concussions, dehydration, or other health emergencies as well as students' health and safety issues related to environmental issues and communicable diseases. The training may include a component on best practices for a coach to educate parents of students involved in athletics on sports safety.

All licensed personnel shall receive training related to compliance with the District's antibullying policies.

For each administrator, the thirty six (36) hour PD requirement shall include training in data disaggregation, instructional leadership, and fiscal management. This training may include the Initial, Tier 1, and Tier 2 training required for Superintendents and other designees by ADE's Rules Governing the Arkansas Financial Accounting and Reporting System and Annual Training Requirements.

Building level administrators shall complete the credentialing assessment for the teacher evaluation PD program prior to conducting any summative teacher evaluations.

Teachers' PD shall meet the requirements prescribed under the Teacher Evaluation Support System (TESS).

By the end of the 2014-15 school-year, teachers shall have received professional awareness on the indicators of dyslexia and the science behind teaching a student who is dyslexic.

Teachers required by the superintendent, building principal, or their designee to take approved training related to teaching an advance placement class for a subject covered by the College Board and Educational Testing Service shall receive up to thirty (30) hours of credit toward the hours of PD required annually.

Licensed personnel may earn up to twelve (12) hours of PD for time they are required to spend in their instructional classroom, office or media center prior to the first day of student/teacher interaction **provided** the time is spent in accordance with state law and current ADE rules that deal with PD. The hours may be earned through online PD approved by the ADE provided the PD relates to the district's ASCIP and the teacher's professional growth plan. Licensed personnel who meet the requirements of this paragraph, the associated statute, and ADE Rules shall be entitled to one hour of PD for each hour of approved preparation.

Licensed personnel shall receive fifteen (15) PD hours for a three-hour undergraduate or graduate level college course that meets the criteria identified in law and applicable ADE rules. A maximum of eighteen (18) such hours may be applied toward the thirty six (36) hours of PD required annually for license renewal.

3.7—LICENSED PERSONNEL BUS DRIVER DRUG TESTING

Scope of Policy

Each person hired for a position that allows or requires the employee operate a school bus shall meet the following requirements:

1. The employee shall possess a current commercial vehicle drivers license for driving a school bus;
2. Have undergone a physical examination, which shall include a drug test,¹ by a licensed physician or advanced practice nurse within the past two years; and
3. A current valid certificate of school bus driver in service training.

Each person's initial employment for a job entailing a safety sensitive function is conditioned upon the district receiving a negative drug test result for that employee. The offer of employment is also conditioned upon the employee's signing an authorization for the request for information by the district from the Commercial Driver Alcohol and Drug Testing Database.

Methods of Testing

The collection, testing methods and standards shall be determined by the agency or other medical organizations chosen by the School Board to conduct the collection and testing of samples. The drug and alcohol testing is to be conducted by a laboratory certified pursuant to the most recent guidelines issued by the United States Department of Health and Human Services for such facilities. ("Mandatory Guidelines for Federal Workplace Drug Testing Programs").

Definitions

"Safety sensitive function" includes:

- a) All time spent inspecting, servicing, and/or preparing the vehicle;
- b) All time spent driving the vehicle;
- c) All time spent loading or unloading the vehicle or supervising the loading or unloading of the vehicle; and
- d) All time spent repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

"School Bus" is a motorized vehicle that meets the following requirements:

1. Is designed to carry more than ten (10) passengers;
2. Is privately owned and operated for compensation, or which is owned, leased or otherwise operated by, or for the benefit of the District; and
3. Is operated for the transportation of students from home to school, from school to home, or to and from school events.

Requirements

Employees shall be drug and alcohol free from the time the employee is required to be ready to work until the employee is relieved from the responsibility for performing work and/or any time they are performing a safety-sensitive function. In addition to the testing required as an initial condition of employment, employees shall

submit to subsequent drug tests as required by law and/or regulation. Subsequent testing includes, and/or is triggered by, but is not limited to:

1. Random tests;
2. Testing in conjunction with an accident;

3. Receiving a citation for a moving traffic violation; and
4. Reasonable suspicion.

Prohibitions

- A. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater;
- B. No driver shall use alcohol while performing safety-sensitive functions;
- C. No driver shall perform safety-sensitive functions within four (4) hours after using alcohol;
- D. No driver required to take a post-accident alcohol test under # 2 above shall use alcohol for eight (8) hours following the accident or until he/she undergoes a post-accident alcohol test, whichever occurs first;
- E. No driver shall refuse to submit to an alcohol or drug test in conjunction with # 1, 2, and/or 4 above;
- F. No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when using any controlled substance, except when used pursuant to the instructions of a licensed medical practitioner who, with knowledge of the driver's job responsibilities, has advised the driver that the substance will not adversely affect the driver's ability to safely operate his/her vehicle. It is the employee's responsibility to inform his/her supervisor of the employee's use of such medication;
- G. No driver shall report for duty, remain on duty, or perform a safety-sensitive function if the driver tests positive or has adulterated or substituted a test specimen for controlled substances.

Violation of any of these prohibitions may lead to disciplinary action being taken against the employee, which could include termination or non-renewal.

Testing for Cause

Drivers involved in an accident in which there is a loss of another person's life shall be tested for alcohol and controlled substances as soon as practicable following the accident. Drivers shall also be tested for alcohol within eight (8) hours and for controlled substances within thirty two (32) hours following an accident for which they receive a citation for a moving traffic violation if the accident involved: 1) bodily injury to any person who, as a result of the injury, immediately receives medical treatment away from the scene of the accident, or 2) one or more motor vehicles incurs disabling damage as a result of the accident requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.⁶

Refusal to Submit

Refusal to submit to an alcohol or controlled substance test means that the driver:

- Failed to appear for any test within a reasonable period of time as determined by the employer consistent with applicable Department of Transportation agency regulation;
- Failed to remain at the testing site until the testing process was completed;
- Failed to provide a urine specimen for any required drug test;
- Failed to provide a sufficient amount of urine without an adequate medical reason for the failure;

- Failed to undergo a medical examination as directed by the Medical Review Officer as part of the verification process for the previous listed reason;
- Failed or declined to submit to a second test that the employer or collector has directed the driver to take;
- Failed to cooperate with any of the testing process; and/or

- Adulterated or substituted a test result as reported by the Medical Review Officer.

School bus drivers should be aware that refusal to submit to a drug test when the test is requested based on a reasonable suspicion can constitute grounds for criminal prosecution.

Consequences for Violations

Drivers who engage in any conduct prohibited by this policy, who refuse to take a required drug or alcohol test, refuse to sign the request for information required by law, or who exceed the acceptable limits for the respective tests shall no longer be allowed to perform safety sensitive functions. Actions regarding their continued employment shall be taken in relation to their inability to perform these functions and could include termination or non-renewal of their contract of employment.

Drivers who exhibit signs of violating the prohibitions of this policy relating to alcohol or controlled substances shall not be allowed to perform or continue to perform safety-sensitive functions if they exhibit those signs during, just preceding, or just after the period of the work day that the driver is required to be in compliance with the provisions of this policy. This action shall be based on specific, contemporaneous, articulatable observations concerning the behavior, speech, or body odors of the driver. The Superintendent or his/her designee shall require the driver to submit to “reasonable suspicion” tests for alcohol and controlled substances. The direction to submit to such tests must be made just before, just after, or during the time the driver is performing safety-sensitive functions. If circumstances prohibit the testing of the driver the Superintendent or his/her designee shall remove the driver from reporting for, or remaining on, duty for a minimum of 24 hours from the time the observation was made triggering the driver’s removal from duty.

If the results for an alcohol test administered to a driver is equal to or greater than 0.02, but less than 0.04, the driver shall be prohibited from performing safety-sensitive functions for a period no less than 24 hours from the time the test was administered. Unless the loss of duty time triggers other employment consequence policies, no further other action against the driver is authorized by this policy for test results showing an alcohol concentration of less than 0.04.

The Norfolk School District has established administrative procedures to implement a drug abuse and prevention program. The non-medical use of drugs is forbidden on school property or at school-sponsored activities away from school property. Employees determined to be using drugs shall be reported immediately to the Principal or other person in charge. The Superintendent shall conduct an investigation into the matter. Any evidence that the employee is involved with the distribution, possession, or is under the influence of drugs will be turned over to law enforcement authorities. Once it has been determined that the employee has violated the school drug policy, the Superintendent shall suspend the employee and termination shall be at the discretion of the superintendent and school board. Any certified employee who also drives a school bus must become familiar with the drug and alcohol testing procedures mandated by federal law. Copies are available at the bus shop.

3.8—LICENSED PERSONNEL SICK LEAVE

A. A full-time employee under contract shall be allowed one (1) sick leave day for each month or major portion thereof that the individual is employed. A maximum upper limit on the accumulation of sick leave days is one hundred and twenty (120) days. Any sick leave days in excess of this number may be cashed in at the rate of "substitute teacher pay" at the end of each contract year. Part-time teachers working more than 20 hours per week shall receive sick leave as agreed upon when employed.

B. Sick leave is to be used for personal illness or illness in the immediate family. The superintendent and/or the building principal will have the discretion to define "immediate family" beyond those relatives currently living in the same household.

C. A record of sick leave used and accumulated shall be established and maintained by the district for each of its teachers. A copy of this record will be given to each employee at the beginning of each school year. A teacher who qualifies for sick leave may use any amount up to his/her total accumulated amount. For all absences in excess of the total amount earned, a proportional salary amount will be deducted. This amount will equal the number of excess days times the employee's daily rate of pay. When claiming sick leave, each employee must complete a leave request and file it with his/her immediate supervisor.

D. If a principal (or the Superintendent) has reason to believe that a teacher has violated or misused this sick leave policy, he/she may require a certificate signed by a duly licensed physician for subsequent absences. The teacher shall be notified of this requirement in writing.

E. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available may be granted, at the request of the teacher or principal, leave of absence without pay for the remainder of the school year. At that time, the teacher's health condition will be reviewed and a decision shall be made by the building principal to return the teacher to active duty, extend the leave of absence, or take other appropriate actions.

F. When a teacher is absent under the provisions of this policy, he/she is expected to have available to the substitute those materials necessary to conduct the activities of the day. In the event that the teacher is absent for less than one-half day for any reason, he/she will be reported absent for one-half day and the substitute will be credited with one-half day of service.

G. The provisions of section 6-17-130 of the Leave Due to Assault Act of 1997 are incorporated herein.

RETIREMENT / SICK LEAVE REIMBURSEMENT PRIOR TO T-DROP

A. There is no mandatory retirement age in the Norfolk School District. An employee that is eligible to retire and retires after ten (10) years of continuous service in the district, shall be compensated for

the days of unused sick leave at the rate of "substitute pay" at the time of retirement. One hundred and twenty (120) days will be the maximum number of days that can be compensated upon retirement.

B. (Approved 05/14/07) If an eligible employee has completed the necessary 28 years of service and enters the T-DROP option to continue working, the employee may apply for reimbursement for unused sick leave accumulated by the employee for up to 90% of their total unused sick days at the current substitute teacher daily rate.

The application must be made to the Superintendent prior to June 30th of the current year.

To become eligible for this benefit, the employee must have worked for the Norfolk School District for the last five (5) consecutive years. It must be understood that if an employee requests payment for unused sick days and continues to work, that these days must be removed from the accumulated total and future paid sick leave must be earned at the rate of one (1) day per month, or greater portion thereof. Days of work missed in the absence of credited sick leave result in deduction of employees pay at their daily rate.

This option can be exercised only one time. Employees may still be reimbursed for accumulated days upon finishing their T-DROP participation, as long as the total reimbursement does not exceed 120 days total.

Each participant shall contribute one (1) day of earned sick leave per year. The participant must submit, no later than September 15, a signed agreement to the District Treasurer’s office authorizing the contributed day. After the election to participate in the sick leave bank has been made, the participation shall be continuous, unless the District Treasurer receives a written request from the participant by September 15th for the withdrawal of membership in the sick leave bank. Days contributed to the SLB by signed authorization cannot be returned to the participant. Furthermore, transfer of sick days to individuals is no longer available. Requests or questions need to be directed to the Sick Bank Committee.

Days from the sick leave bank may be used by any contributing member in the event of a catastrophic illness or accident. The catastrophic illness or accident will be determined by the SLB committee. Participating members must use up accumulated sick days and personal days before requesting from the sick leave bank. All requests must be submitted in writing. No SLB days are to be awarded in anticipation of future absences.

No participant shall receive more than 30 days from the SLB in any one (1) fiscal year. No more than 30 SLB days may be used per illness. The number of days that can be drawn by an individual is subject to availability. Newly hired employees will be able to enroll in the Bank within thirty (30) days of the beginning of contracted service with the District. SLB days will not be granted for elective surgery that could be scheduled during designated vacation periods or for treatment plans that could be scheduled outside normal work hours. Any member who is receiving temporary disability payments from the Workers’ Compensation Insurance Fund is not eligible to receive SLB days.

The Committee shall meet as necessary for the purpose of reviewing requests for withdrawal from the bank. The determination of the committee shall be final.

- Both committees shall consist of the building Principal and three elected certified staff personnel from each building.
- All changes of the SLB needs to be approved by the PPC.
- Any changes made by committee and adopted by board will go in effect immediately.

2. Employees shall complete a release of medical information form to allow the members of the SLB committee to review any medical documentation that they provide with the request for SLB.
3. The illness/injury must be medically documented with a statement bearing an original signature from the attending physician. The verification of absence form may not be stamped with a physician's signature or signed by the attending nurse, office manager, etc.
4. Guidelines: Sick leave days from the sick bank are those days granted to a member who through unexpected extended critical illness, a surgery, or injury, or because of the illness of an applicable family member (i.e. mom, dad, brother, sister, spouse, children, grandkids that live in household), is unable to perform the duties of his or her position. Employee should have used all of his/her own sick and personal days to qualify for sick bank. A minimum of five (5) consecutive days must be missed in order to meet the SLB criteria for a "catastrophic" or critical illness. Each subsequent SLB request must stand upon its own merits.

3.11—LICENSED PERSONNEL PERSONAL AND PROFESSIONAL LEAVE

Personal Leave

All Norfolk certified employees are granted two personal leave days per contract year. These days are in addition to contracted sick days. If unused, personal leave days may be accumulated up to five (5) days. Any and all personal days in excess of these five (5) accumulated days may be added to their own sick leave account up to the limit established for that account. Personal leave may be scheduled with the approval of the building principal. When claiming personal leave, each employee must complete a leave request and file it with his/her immediate supervisor.

Professional Leave

“Professional Leave” is leave granted for the purpose of enabling an employee to participate in professional activities (e.g., teacher workshops or serving on professional committees) which can serve to improve the school District’s instructional program or enhances the employee’s ability to perform his duties. Professional leave will also be granted when a school District employee is subpoenaed for a matter arising out of the employee’s employment with the school District. Any employee seeking professional leave must make a written request to his or her immediate supervisor, setting forth the information necessary for the supervisor to make an informed decision. The supervisor’s decision is subject to review and overruling by the superintendent. Budgeting concerns and the potential benefit for the District’s students will be taken into consideration in reviewing a request for professional leave.

Applications for professional leave should be made as soon as possible following the employee’s discerning a need for such leave, but, in any case, no less than two (2) weeks before the requested leave is to begin, if possible.

If the employee does not receive or does not accept remuneration for his/her participation in the professional leave activity and a substitute is needed for the employee, the District shall pay the full cost of the substitute. If the employee receives and accepts remuneration for his/her participation in the professional leave activity (e.g. scholastic audits), the employee shall forfeit his/her daily rate of pay from the District for the time the employee misses. The cost of a substitute, if one is needed, shall be paid by the employee/District.⁵

3.12—LICENSED PERSONNEL RESPONSIBILITIES IN DEALING WITH SEX OFFENDERS ON CAMPUS

Individuals who have been convicted of certain sex crimes must register with law enforcement as sex offenders. Arkansas law places restrictions on sex offenders with a Level 1 sex offender having the least restrictions (lowest likelihood of committing another sex crime), and Level 4 sex offenders having the most restrictions (highest likelihood of committing another sex crime).

While Levels 1 and 2 place no restrictions prohibiting the individual's presence on a school campus, Levels 3 and 4 have specific prohibitions. These are specified in Policy 6.10—SEX OFFENDERS ON CAMPUS (MEGAN'S LAW) and it is the responsibility of district staff to know and understand the policy and, to the extent requested, aid school administrators in enforcing the restrictions placed on campus access to Level 3 and Level 4 sex offenders.

It is the intention of the board of directors that district staff not stigmatize students whose parents or guardians are sex offenders while taking necessary steps to safeguard the school community and comply with state law. Each school's administration should establish procedures so attention is not drawn to the accommodations necessary for registered sex offender parents or guardians.¹

Prior to taking leave, and as soon as possible after the need for such leave is discerned by the employee, he or she must make written request for leave to the Superintendent, setting out, to the degree possible, the dates such leave is needed.

An employee who fraudulently requests sick leave for the purpose of taking leave to serve in public office may be subject to nonrenewal or termination of his/her employment contract.

3.18—LICENSED PERSONNEL OUTSIDE EMPLOYMENT

An employee of the District may not be employed in any other capacity during regular working hours.

An employee may not accept employment outside of his or her district employment which will interfere, or otherwise be incompatible with the District employment, including normal duties outside the regular work day; nor shall an employee accept other employment which is inappropriate for an employee of a public school.

The Superintendent, or his designee(s), shall be responsible for determining whether outside employment is incompatible, conflicting or inappropriate.

When a licensed employee is additionally employed by the District in either a classified capacity or by a contract to perform supplementary duties for a stipend or multiplier, the duties, expectations, and obligations of the primary licensed position employment contract shall prevail over all other employment duties unless the needs of the district dictate otherwise.¹ If there is a conflict between the expectations of the primary licensed position and any other contracted position, the licensed employee shall notify the employee's building principal as far in advance as is practicable. The building principal shall verify the existence of the conflict by contacting the supervisor of the secondary contracted position. The building principal shall determine the needs of the district on a case-by-case basis and rule accordingly. The principal's decision is final with no appeal to the Superintendent or the School Board. Frequent conflicts or scheduling problems could lead to the non-renewal or termination of the classified contract of employment or the contract to perform the supplementary duties.

Sick Leave and Outside Employment

Sick leave related absence from work (e.g. sick leave for personal or family illness or accident, Workers Comp, and FMLA) inherently means the employee is also incapable of working at any source of outside employment. Except as provided in policy 3.44, if an employee who works a non-district job while taking district sick leave for personal or family illness or accident, Workers Comp, or FMLA shall be subject to discipline up to and including termination.

If the employee provides false or misleading information, or if he/she withholds information to the same effect, it may be grounds for dismissal. In particular, it will be considered a material misrepresentation and grounds for termination of contract of employment if an employee's licensure status is discovered to be other than as it was

represented by an employee or applicant, either in writing on application materials or in the form of verbal assurances or statements made to the school district.

It is grounds for termination of contract of employment if an employee fails a criminal background check or receives a true report on the Child Maltreatment Central Registry check.

The District is an equal opportunity employer and shall not discriminate on the grounds of race, color, religion, national origin, sex, age, or disability.

In accordance with Arkansas law, the District provides a veteran preference to applicants who qualify for one of the following categories:

1. a veteran without a service-connected disability;

In order for an applicant to receive the veterans preference, the applicant must be a citizen and resident of Arkansas, be substantially equally qualified as other applicants and do all of the following:

1. Indicate on the employment application the category the applicant qualifies for;
2. Attach the following documentation, **as applicable**, to the employment application:

 - Disability letter from the Veteran's Administration (in the case of an applicant with a service-related disability).

Failure of the applicant to comply with the above requirements shall result in the applicant not receiving the veteran preference; in addition, meeting the qualifications of a veteran or spousal category does not guarantee either an interview or being hired.

3.24—LICENSED PERSONNEL DEBTS

For the purposes of this policy, "garnishment" of a district employee is when the employee has lost a lawsuit to a judgment creditor who brought suit against a school district employee for an unpaid debt, has been awarded money damages as a result, and these damages are recoverable by filing a garnishment action against the employee's wages. For the purposes of this policy, the word "garnishment" excludes such things as child support, student loan or IRS liens or voluntary deductions levied against an employee's wages.

All employees are expected to meet their financial obligations. If an employee writes "hot" checks or has his/her income garnished by a judgment creditor, dismissal may result.

An employee will not be dismissed for having been the subject of one (1) garnishment. However, a second or third garnishment may result in dismissal.

At the discretion of the Superintendent, he/she or his/her designee may meet with an employee who has received a second garnishment for the purpose of warning the employee that a third garnishment will result in a recommendation of dismissal to the School Board.

At the discretion of the Superintendent, a second garnishment may be used as a basis for a recommended dismissal. The Superintendent may take into consideration other factors in deciding whether to recommend dismissal based on a second garnishment. Those factors may include, but are not limited to, the amount of the debt, the time between the first and the second garnishment, and other financial problems which come to the attention of the District.

3.25—LICENSED PERSONNEL GRIEVANCES

The purpose of this policy is to provide an orderly process for employees to resolve, at the lowest possible level, their concerns related to the personnel policies or salary payments of this district.

Definitions

Grievance: a claim or concern related to the interpretation, application, or claimed violation of the personnel policies, including salary schedules, federal or state laws and regulations, or terms or conditions of employment, raised by an individual employee of this school district. Other matters for which the means of resolution are provided or foreclosed by statute or administrative procedures shall not be considered grievances. Specifically, no grievance may be entertained against a supervisor for directing, instructing, reprimanding, or “writing up” an

employee under his/her supervision. A group of employees who have the same grievance may file a group grievance.

Group Grievance: A grievance may be filed as a group grievance if it meets the following criteria: (meeting the criteria does not ensure that the subject of the grievance is, in fact, grievable)

1. More than one individual has interest in the matter; and
2. The group has a well-defined common interest in the facts and/or circumstances of the grievance; and
3. The group has designated an employee spokesperson to meet with administration and/or the board; and
4. All individuals within the group are requesting the same relief.

Employee: any person employed under a written contract by this school district.

Immediate Supervisor: the person immediately superior to an employee who directs and supervises the work of that employee.

Working day: Any weekday other than a holiday whether or not the employee under the provisions of their contract is scheduled to work or whether they are currently under contract.

Process

Level One: An employee who believes that he/she has a grievance shall inform that employee's immediate supervisor that the employee has a potential grievance and discuss the matter with the supervisor within five working days of the occurrence of the grievance. The supervisor shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. (The five-day requirement does not apply to grievances concerning back pay.) If the grievance is not advanced to Level Two within five working days following the conference, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

If the grievance cannot be resolved by the immediate supervisor, the employee can advance the grievance to Level Two. To do this, the employee must complete the top half of the Level Two Grievance Form within five working days of the discussion with the immediate supervisor, citing the manner in which the specific personnel policy was violated that has given rise to the grievance, and submit the Grievance Form to his/her immediate supervisor. The supervisor will have ten working days to respond to the grievance using the bottom half of the Level Two Grievance Form which he/she will submit to the building principal or, in the event that the employee's immediate supervisor is the building principal, the superintendent.

Level Two (when appeal is to the building principal): Upon receipt of a Level Two Grievance Form, the building principal will have ten working days to schedule a conference with the employee filing the grievance. The principal shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the principal will have ten working days in which to deliver a written response to the grievance to the employee. If the grievance is not advanced to Level Three within five working days the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

Level Two (when appeal is to the superintendent): Upon receipt of a Level Two Grievance Form, the superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Level Three: If the proper recipient of the Level Two Grievance was the building principal, and the employee remains unsatisfied with the written response to the grievance, the employee may advance the grievance to the superintendent by submitting a copy of the Level Two Grievance Form and the principal's reply to the superintendent within five working days of his/her receipt of the principal's reply. The superintendent will have ten working days to schedule a conference with the employee filing the grievance. The superintendent shall offer the employee an opportunity to have a witness or representative who is not a member of the employee's immediate family present at their conference. After the conference, the superintendent will have ten working days in which to deliver a written response to the grievance to the employee.

Appeal to the Board of Directors: An employee who remains unsatisfied by the written response of the superintendent may appeal the superintendent's decision to the Board of Education within five working days of his/her receipt of the Superintendent's written response by submitting a written request for a board hearing to the superintendent². If the grievance is not appealed to the Board of Directors within five working days of his/her receipt of the superintendent's response, the matter will be considered resolved and the employee shall have no further right with respect to said grievance.

The school board will address the grievance at the next regular meeting of the school board, unless the employee agrees in writing to an alternate date for the hearing. After reviewing the Level Two Grievance Form and the superintendent's reply, the board will decide if the grievance, on its face, is grievable under district policy. If the grievance is presented as a "group grievance," the Board shall first determine if the composition of the group meets the definition of a "group grievance." If the Board determines that it is a group grievance, the Board shall then determine whether the matter raised is grievable. If the Board rules the composition of the group does not meet the definition of a group grievance, or the grievance, whether group or individual, is not grievable, the matter shall be considered closed. (Individuals within the disallowed group may choose to subsequently refile their grievance as an individual grievance beginning with Level One of the process.) If the Board rules the grievance to be grievable, they shall immediately commence a hearing on the grievance. All parties have the right to representation by a person of their own choosing who is not a member of the employee's immediate family at the appeal hearing before the Board of Directors. The employee shall have no less than 90 minutes to present his/her grievance, unless a shorter period is agreed to by the employee, and both parties shall have the opportunity to present and question witnesses. The hearing shall be open to the public unless the employee requests a private hearing. If the hearing is open, the parent or guardian of any student

under the age of eighteen years who gives testimony may elect to have the student's testimony given in closed session. At the conclusion of the hearing, if the hearing was closed, the Board of Directors may excuse all parties except board members and deliberate, by themselves, on the hearing. At the conclusion of an open hearing, board deliberations shall also be in open session unless the board is deliberating the employment, appointment, promotion, demotion, disciplining, or resignation of the employee. A decision on the grievance shall be announced no later than the next regular board meeting.

Records

Records related to grievances will be filed separately and will not be kept in, or made part of, the personnel file of any employee.

Reprisals

No reprisals of any kind will be taken or tolerated against any employee because he/she has filed or advanced a grievance under this policy.

3.26—LICENSED PERSONNEL SEXUAL HARASSMENT

The Norfolk School District is committed to having an academic and work environment in which all students and employees are treated with respect and dignity. Student achievement and amicable working relationships are best attained in an atmosphere of equal educational and employment opportunity that is free of discrimination. Sexual harassment is a form of discrimination that undermines the integrity of the educational environment and will not be tolerated.

Believing that prevention is the best policy, the district will periodically inform students and employees about the nature of sexual harassment, the procedures for registering a complaint, and the possible redress that is available. The information will stress that the district does not tolerate sexual harassment and that students and employees can report inappropriate behavior of a sexual nature without fear of adverse consequences.

It shall be a violation of this policy for any student or employee to be subjected to, or to subject another person to, sexual harassment as defined in this policy. Any employee found, after an investigation, to have engaged in sexual harassment will be subject to disciplinary action up to, and including, termination.

Sexual harassment refers to unwelcome sexual advances, requests for sexual favors, or other personally offensive verbal, visual, or physical conduct of a sexual nature made by someone under any of the following conditions:

1. Submission to the conduct is made, either explicitly or implicitly, a term or condition of an individual's education or employment;
2. Submission to, or rejection of, such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; and/or
3. Such conduct has the purpose or effect of substantially interfering with an individual's academic or work performance or creates an intimidating, hostile, or offensive academic or work environment.

The terms "intimidating," "hostile," and "offensive" include conduct of a sexual nature which has the effect of humiliation or embarrassment and is sufficiently severe, persistent, or pervasive that it limits the student's or employee's ability to participate in, or benefit from, an educational program or activity or their employment environment.

Within the educational or work environment, sexual harassment is prohibited between any of the following: students; employees and students; non-employees and students; employees; employees and non-employees.

Actionable sexual harassment is generally established when an individual is exposed to a pattern of objectionable behaviors or when a single, serious act is committed. What is, or is not, sexual harassment will depend upon all of the surrounding circumstances. Depending upon such circumstances, examples of sexual harassment include, but are not limited to: unwelcome touching; crude jokes or pictures; discussions of sexual experiences; pressure for sexual activity; intimidation by words, actions, insults, or name calling; teasing related to sexual characteristics or the belief or perception that an individual is not conforming to expected gender roles or conduct or is homosexual, regardless of whether or not the individual self-identifies as homosexual; and spreading rumors related to a person's alleged sexual activities.

Employees who believe they have been subjected to sexual harassment are encouraged to file a complaint by contacting their immediate supervisor, administrator, or Title IX coordinator who will assist them in the complaint process. Under no circumstances shall an employee be required to first report allegations of sexual harassment to a school contact person if that person is the individual who is accused of the harassment. To the extent possible, complaints will be treated in a confidential manner. Limited disclosure may be necessary in order to complete a thorough investigation.

Employees who file a complaint of sexual harassment will not be subject to retaliation or reprisal in any form.

Employees who knowingly fabricate allegations of sexual harassment shall be subject to disciplinary action up to and including termination.

Individuals who withhold information, purposely provide inaccurate facts, or otherwise hinder an investigation of sexual harassment shall be subject to disciplinary action up to and including termination.

3.30—PARENT-TEACHER COMMUNICATION

The district recognizes the importance of communication between teachers and parents/legal guardians. To help promote positive communication, parent/teacher conferences shall be held once each semester. Parent-teacher conferences are encouraged and may be requested by parents or guardians when they feel they need to discuss their child's progress with his/her teacher.

Teachers are required to communicate during the school year with the parent(s), legal guardian(s), or care-giving adult or adults in a student's home to discuss the student's academic progress unless the student has been placed in the custody of the Department of Human Services and the school has received a court order prohibiting parent or legal guardian participation in parent/teacher conferences¹. More frequent communication is required with the parent(s) or legal guardian(s) of students who are performing below grade level.

All parent/teacher conferences shall be scheduled at a time and place to best accommodate those participating in the conference. Each teacher shall document the participation or non-participation of parent(s)/legal guardian(s) for each scheduled conference.

3.31—DRUG FREE WORKPLACE - LICENSED PERSONNEL

The conduct of district staff plays a vital role in the social and behavioral development of our students. It is equally important that the staff have a safe, healthful, and professional environment in which to work. To help promote both interests, the district shall have a drug free workplace. It is, therefore, the district's policy that district employees are prohibited from the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances, illegal drugs, inhalants, alcohol, as well as inappropriate or illegal use of prescription drugs. Such actions are prohibited both while at work or in the performance of official duties while off district property; violations of this policy will subject the employee to discipline, up to and including termination.

To help promote a drug free workplace, the district shall establish a drug-free awareness program to inform employees about the dangers of drug abuse in the workplace, the district's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance abuse programs, and the penalties that may be imposed upon employees for drug abuse violations.

Should any employee be found to have been under the influence of, or in illegal possession of, any illegal drug or controlled substance, whether or not engaged in any school or school-related activity, and the behavior of the employee, if under the influence, is such that it is inappropriate for a school employee in the opinion of the superintendent, the employee may be subject to discipline, up to and including termination. This policy also applies to those employees who are under the influence of alcohol while on campus or at school-sponsored functions, including athletic events.

An employee living on campus or on school owned property is permitted to possess alcohol in his/her residence. The employee is bound by the restrictions stated in this policy while at work or performing his/her official duties.

Possession, use or distribution of drug paraphernalia by any employee, whether or not engaged in school or school-related activities, may subject the employee to discipline, up to and including termination. Possession in one's vehicle or in an area subject to the employee's control will be considered to be possession as though the substance were on the employee's person.

It shall not be necessary for an employee to test at a level demonstrating intoxication by any substance in order to be subject to the terms of this policy. Any physical manifestation of being under the influence of a substance may subject an employee to the terms of this policy. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent and/or irrational speech; or the presence of an odor associated with a prohibited substance on one's breath or clothing.

Should an employee desire to provide the District with the results of a blood, breath or urine analysis, such results will be taken into account by the District only if the sample is provided within a time range that could provide meaningful results and only by a testing agency chosen or approved by the District. The District shall not request that the employee be tested, and the expense for such voluntary testing shall be borne by the employee.

Any employee who is charged with a violation of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances or alcohol, or of drug paraphernalia, must notify his/her immediate supervisor within five (5) week days (i.e., Monday through Friday, inclusive, excluding holidays) of being so charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately.

If the supervisor is not available to the employee, the employee shall notify the Superintendent within the five (5) day period.

Any employee so charged is subject to discipline, up to and including termination. However, the failure of an employee to notify his or her supervisor or the Superintendent of having been so charged shall result in that employee being recommended for termination by the Superintendent.

Any employee convicted of any criminal drug statute violation for an offense that occurred while at work or in the performance of official duties while off district property shall report the conviction within 5 calendar days to the superintendent. Within 10 days of receiving such notification, whether from the employee or any other source, the district shall notify federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Any employee convicted of any state or federal law relating to the possession, use or distribution of illegal drugs, other controlled substances, or of drug paraphernalia, shall be recommended for termination.

Any employee who must take prescription medication at the direction of the employee's physician, and who is impaired by the prescription medication such that he/she cannot properly perform his/her duties shall not report for duty. Any employee who reports for duty and is so impaired, as determined by his/her supervisor, will be sent home. The employee shall be given sick leave, if owed any. The District or employee will provide transportation for the employee, and the employee may not leave campus while operating any vehicle. It is the responsibility of the employee to contact his/her physician in order to adjust the medication, if possible, so that the employee may return to his/her job unimpaired. Should the employee attempt to return to work while impaired by prescription medications, for which the employee has a prescription, he/she will, again, be sent home and given sick leave, if owed any. Should the employee attempt to return to work while impaired by prescription medication a third time the employee may be subject to discipline, up to and including a recommendation of termination.

Any employee who possesses, uses, distributes or is under the influence of a prescription medication obtained by a means other than his/her own current prescription shall be treated as though he was in possession, possession with intent to deliver, or under the influence, etc. of an illegal substance. An illegal drug or other substance is one which is (a) not legally obtainable; or (b) one which is legally obtainable, but which has been obtained illegally. The District may require an employee to provide proof from his/her physician and/or pharmacist that the employee is lawfully able to receive such medication. Failure to provide such proof, to the satisfaction of the Superintendent, may result in discipline, up to and including a recommendation of termination.

3.32—LICENSED PERSONNEL FAMILY MEDICAL LEAVE

The Family and Medical Leave Act (FMLA) leave offers job protection for what might otherwise be considered excessive absences. Employees need to carefully comply with this policy to ensure they do not lose FMLA protection due to inaction or failure to provide the District with needed information. The FMLA provides up to 12 work weeks (or in some cases 26 weeks) of job-protected leave to eligible employees with absences that qualify under the FMLA. While an employee can request FMLA leave and has a duty to inform the District as provided in this policy of foreseeable absences that may qualify for FMLA leave, it is the District's ultimate responsibility to identify qualifying absences as FMLA or non-FMLA. FMLA leave is unpaid, except to the extent that paid leave applies to any given absence as governed by the FMLA and this policy.

SECTION ONE

Definitions:

“Eligible Employee” is an employee who has been employed by the District for at least twelve (12) months and for 1250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.

“FMLA” is the Family and Medical Leave Act

“Health Care Provider” is a doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the state in which the doctor practices. It also includes any other person determined by the U.S. Secretary of Labor to be capable of providing health care services.

“Instructional Employee” is an employee whose principal function is to teach and instruct students in a class, a small group, or an individual setting and includes athletic coaches, driving instructors, preschool teachers, and special education assistants such as signers for the hearing impaired. The term does not include, and the special rules related to the taking of leave near the end of a semester do not apply to, teacher assistants or aides who do not have as their principal job actual teaching or instructing, nor does it include administrators, counselors, librarians, psychologists, or curriculum specialists.

“Intermittent leave” is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced leave schedule is a leave schedule that reduces an employee's usual number of working hours per workweek, or hours per workday. A reduced leave schedule is a change in the employee's schedule for a period of time, normally from full-time to part-time.

“Next of Kin”, used in respect to an individual, means the nearest blood relative of that individual.

“Parent” is the biological parent of an employee or an individual who stood in loco parentis to an employee when the employee was a son or a daughter. This term does not include parents “in-law.”

“Serious Health Condition” is an injury, illness, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider.

“Son or daughter”, for numbers 1, 2, or 3 below: is a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and “incapable of self-care because of a mental or physical disability” at the time that FMLA leave is to commence.

“Year”, the twelve (12) month period of eligibility shall begin on July first of each school-year.³

Policy

The provisions of this policy are intended to be in line with the provisions of the FMLA. If any conflict(s) exist, the Family and Medical Leave Act of 1993 as amended shall govern.

Leave Eligibility

The District will grant up to twelve (12) weeks of leave in a year in accordance with the FMLA as amended, to its eligible employees for one or more of the following reasons:

1. Because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
2. Because of the placement of a son or daughter with the employee for adoption or foster care;
3. To care for the spouse, son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition; and
4. Because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.
5. Because of any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces. (See Section Two)
6. To care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury. (See Section Two)

The entitlement to leave for reasons 1 and 2 listed above shall expire at the end of the twelve (12) month period beginning on the date of such birth or placement.

A husband and wife who are both eligible employees employed by the District may not take more than a combined total of 12 weeks of FMLA leave for reasons 1, 2, 3 and 5.

Provisions Applicable to both Sections One and Two

District Notice to Employees

The District shall post, in conspicuous places in each school within the District where notices to employees and applicants for employment are customarily posted, a notice explaining the FMLA's provisions and providing information about the procedure for filing complaints with the Department of Labor.

Designation Notice to Employee

When an employee requests FMLA leave or the District determines that an employee's absence may be covered under the FMLA, the District shall provide written notice within five (5) business days (absent extenuating circumstances) to the employee of the District's determination of his/her eligibility for FMLA leave. If the employee is eligible, the District may request additional information from the employee and/or certification from a health care provider to help make the applicability⁶ determination. After receiving sufficient information as requested, the District shall provide a written notice within five (5) business days (absent extenuating circumstances) to the employee of whether the leave qualifies as FMLA leave and will be so designated.

If the circumstances for the leave don't change, the District is only required to notify the employee once of the determination regarding the designation of FMLA leave within any applicable twelve (12) month period.

Concurrent Leave Under the FMLA

All FMLA leave is unpaid unless substituted by applicable accrued leave. The District requires employees to substitute any applicable accrued leave (in the order of sick , personal, or vacation leave as may be applicable) for any period of FMLA leave.

Working at another Job while Taking FMLA for Personal or Family Serious Medical Condition

No employee on FMLA leave for their own serious medical condition may perform work at another, non-district job while on FMLA leave. Except as provided in policy 3.44, employees who do perform work at another, non-district job while on FMLA leave for their own serious medical condition will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

No employee on FMLA leave for the serious medical condition of a family member may perform work at another, non-district job while on FMLA leave. Employees who do perform work at another, non-district job while on FMLA leave for the serious medical condition of a family member will be subject to discipline, which could include termination or nonrenewal of their contract of employment.

Health Insurance Coverage

The District shall maintain coverage under any group health plan for the duration of FMLA leave the employee

takes at the level and under the conditions coverage would have been provided if the employee had continued in active employment with the District. Additionally, if the District makes a change to its health insurance benefits or plans that apply to other employees, the employee on FMLA leave must be afforded the opportunity to access additional benefits and/or the same responsibility for changes to premiums. Any changes made to a group health plan which apply to other District employees, must also apply to the employee on FMLA leave. The District will notify the employee on FMLA leave of any opportunities to change plans or benefits. The employee remains responsible for any portion of premium payments customarily paid by the employee. When on unpaid FMLA leave, it is the employee's responsibility to submit his/her portion of the cost of the group health plan coverage to the district's business office on or before it would be made by payroll deduction.

The District has the right to pay an employee's unpaid insurance premiums during the employee's unpaid FMLA leave to maintain the employee's coverage during his/her leave. The District may recover the employee's share of any premium payments missed by the employee for any FMLA leave period during which the District maintains health coverage for the employee by paying the his/her share. Such recovery shall be made by offsetting the employee's debt through payroll deductions or by other means against any monies owed the employee by the District.

An employee who chooses to not continue group health plan coverage while on FMLA leave, is entitled to be reinstated on the same terms as prior to taking the leave, including family or dependent coverages, without any qualifying period, physical examination, exclusion of pre-existing conditions, etc.

If an employee gives unequivocal notice of intent not to return to work, or if the employment relationship would have terminated if the employee had not taken FMLA leave, the District's obligation to maintain health benefits ceases.

If the employee fails to return from leave after the period of leave to which the employee was entitled has expired, the District may recover the premiums it paid to maintain health care coverage unless:

- a. The employee fails to return to work due to the continuation, reoccurrence, or onset of a serious health condition that entitles the employee to leave under reasons 3 or 4 listed above; and/or
- b. Other circumstances exist beyond the employee's control.

Circumstances under "a" listed above shall be certified by a licensed, practicing health care provider verifying the employee's inability to return to work.

Reporting Requirements During Leave

Unless circumstances exist beyond the employee's control, the employee shall inform the district every two weeks¹⁰ during FMLA leave of their current status and intent to return to work.

Return to Previous Position

An employee returning from FMLA leave is entitled to be returned to the same position the employee held

when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An equivalent position must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, and authority. Specifically, upon returning from FMLA leave, a teacher may be assigned to another position that is not necessarily the same as the teacher's former job assignment. The employee may not be restored to a position requiring additional licensure or certification.

The employee's right to return to work and/or to the same or an equivalent position does not supersede any actions taken by the District, such as conducting a RIF, which the employee would have been subject to had the employee not been on FMLA leave at the time of the District's actions.

Provisions Applicable to Section One

Employee Notice to District

Foreseeable Leave:

When the need for leave is foreseeable for reasons 1 through 4 listed above, the employee shall provide the District with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave for the specified reason. An eligible employee who has no reasonable excuse for his/her failure to provide the District with timely advance notice of the need for FMLA leave may delay the FMLA coverage of such leave until 30 days after the date the employee provides notice.

If there is a lack of knowledge of approximately when the leave will be required to begin, a change in circumstances, or an emergency, notice must be given as soon as practicable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

When the need for leave is for reasons 3 or 4 listed above, the eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the District subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

If the need for FMLA leave is foreseeable less than 30 days in advance, the employee shall notify the District as soon as practicable. If the employee fails to notify as soon as practicable, the District may delay granting FMLA leave for the number of days in advance that the employee should have provided notice and when the employee actually gave notice.

Unforeseeable Leave:

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case.

Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means. If the eligible employee fails to notify the District as

required, unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

Medical Certification

Second and Third Opinions: In any case where the District has reason to doubt the validity of the initial certification provided, the District may require, at its expense, the employee to obtain the opinion of a second health care provider designated or approved by the employer. If the second opinion differs from the first, the District may require, at its expense, the employee to obtain a third opinion from a health care provider agreed upon by both the District and the employee. The opinion of the third health care provider shall be considered final and be binding upon both the District and the employee.

Recertification: The District may request, either orally or in writing, the employee obtain a recertification in connection with the employee's absence, at the employee's expense, no more often than every thirty (30) days unless one or more of the following circumstances apply;

- a. The original certification is for a period greater than 30 days. In this situation, the District may require a recertification after the time of the original certification expires, but in any case, the District may require a recertification every six (6) months.
- b. The employee requests an extension of leave;
- c. Circumstances described by the previous certification have changed significantly; and/or
- d. The district receives information that casts doubt upon the continuing validity of the certification.

The employee must provide the recertification in fifteen (15) calendar days after the District's request.

No second or third opinion on recertification may be required.

The District may deny FMLA leave if an eligible employee fails to provide requested certification.

Substitution of Paid Leave

When an employee's leave has been designated as FMLA leave for reasons 1 (as applicable), 2, 3, or 4 above, the District requires employees to substitute accrued sick, vacation, or personal leave for the period of FMLA leave.

To the extent the employee has accrued paid vacation or personal leave, any leave taken that qualifies for FMLA leave for reasons 1 or 2 above shall be paid leave and charged against the employee's accrued leave.

Workers Compensation: FMLA leave may run concurrently with a workers' compensation absence when the injury is one that meets the criteria for a serious health condition. To the extent that workers compensation benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to 100% of usual contracted

daily rate of pay. If the health care provider treating the employee for the workers compensation injury certifies the employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the District's offer of a "light duty job." As a result, the employee may lose his/her workers' compensation payments, but for the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

Return to Work

If the District's written designation determination that the eligible employee's leave qualified as FMLA leave under reason 4 above stated that the employee would have to provide a "fitness-for-duty" certification from a health care provider for the employee to resume work, the employee must provide such certification prior to returning to work. The employee's failure to do so voids the District's obligation to reinstate the employee under the FMLA and the employee shall be terminated.

If the District's written designation determination that the eligible employee's leave qualified as FMLA leave under reason 4 above stated that the employee would have to provide a "fitness-for-duty" certification from a health care provider for the employee to resume work **and** the designation determination listed the employee's essential job functions, the employee must provide certification that the employee is able to perform those functions prior to returning to work. The employee's failure to do so or his/her inability to perform his/her job's essential functions voids the District's obligation to reinstate the employee under the FMLA and the employee shall be terminated.

Failure to Return to Work:

In the event that an employee is unable or fails to return to work within FMLA's leave timelines, the superintendent will make a determination at that time regarding the documented need for a severance of the employee's contract due to the inability of the employee to fulfill the responsibilities and requirements of their contract.

Intermittent or Reduced Schedule Leave

To the extent practicable, employees requesting intermittent or reduced schedule leave shall provide the District with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave.

Eligible employees may only take intermittent or reduced schedule leave for reasons 1 and 2 listed above if the District agrees to permit such leave upon request of the employee. If the District agrees to permit an employee to take intermittent or reduced schedule leave for such reasons, the agreement shall be consistent with this policy's requirements governing intermittent or reduced schedule leave. The employee may be transferred temporarily during the period of scheduled intermittent or reduced leave to an alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties.

Eligible employees may take intermittent or reduced schedule FMLA leave due to reasons 3 or 4 listed above when the medical need is best accommodated by such a schedule. The eligible employee shall make a

reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider.

When granting leave on an intermittent or reduced schedule for reasons 3 or 4 above that is foreseeable based on planned medical treatment, the District may temporarily transfer non-instructional, eligible employees for the period of scheduled intermittent or reduced leave to an alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began. The employee will not be required to take more FMLA leave than necessary to address the circumstances requiring the need for the leave.

If an eligible employee who meets the definition of an instructional employee requests intermittent or reduced schedule leave for reasons 3 or 4 above that is foreseeable based on planned medical treatment and the employee would be on leave for greater than 20 percent of the total number of working days in the period during which the leave would extend, the district may require the employee to elect either

- a. to take medical leave for periods of a particular duration, not to exceed the duration of the planned medical treatment; or
- b. to transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave than the regular employment position of the employee.

If the employee chooses to transfer to an alternative position it shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began. The employee will not be required to take more FMLA leave than necessary to address the circumstances requiring the need for the leave.

An eligible instructional employee who needs intermittent leave or leave on a reduced leave schedule for reasons 3 or 4 above may not be transferred to an alternative position during the period of the employee's intermittent or reduced leave schedule if, based on the foreseeable planned medical treatment, the employee would be on leave for 20 percent or less of the total number of working days over the period the leave would extend.

Leave taken by eligible instructional employees near the end of the semester

In any of the following scenarios, if the District chooses to require the eligible, instructional employee to stay on leave until the end of the semester, only the portion of the leave until the employee is ready and able to return to work shall be charged against the employee's FMLA leave entitlement. The required non-FMLA leave will not be considered excessive absenteeism.

Leave more than 5 weeks prior to end of the semester

If the eligible, instructional employee begins leave, due to reasons 1 through 4 listed above, more than 5 weeks prior to the end of the academic term, the District may require the employee to continue taking leave until the end of the semester, if
(A) the leave is of at least 3 weeks duration; and
(B) the return to employment would occur during the 3-week period before the end of the semester.

Leave less than 5 weeks prior to end of the semester

If the eligible, instructional employee begins leave, due to reasons 1, 2, or 3 listed above, during the period that commences 5 weeks prior to the end of the academic term, the District may require the employee to continue taking leave until the end of the semester, if
(A) the leave is of greater than 2 weeks duration; and
(B) the return to employment would occur during the 2-week period before the end of the semester.

Leave less than 3 weeks prior to end of the semester

If the eligible, instructional employee begins leave, due to 1, 2, or 3 listed above, during the period that commences 3 weeks prior to the end of the semester and the duration of the leave is greater than 5 working days, the District may require the employee to continue to take leave until the end of the semester.

SECTION TWO

FMLA LEAVE CONNECTED TO MILITARY SERVICE

Leave Eligibility

The FMLA provision of military associated leave is in two categories. Each one has some of its own definitions and stipulations. Therefore, they are dealt with separately in this Section of the policy. Definitions different than those in Section One are included under the respective reason for leave. Definitions that are the same as in Section One are NOT repeated in this Section.

QUALIFYING EXIGENCY

An eligible employee may take FMLA leave for any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on covered active duty (or has been notified of an impending call or order to covered active duty) in the Armed Forces. Examples include issues involved with short-notice deployment, military events and related activities, childcare and school activities, the need for financial and legal arrangements, counseling, rest and recuperation, post-deployment activities, and other activities as defined by federal regulations.

Definitions:

“Covered active duty” means

- in the case of a member of a **regular** component of the Armed Forces, duty during deployment of the member with the armed forces to a foreign country; and

- in the case of a member of a **reserve** component of the Armed Forces, duty during deployment of the member with the armed forces to a foreign country under a call to order to active duty under a provision of law referred to in section 101(a)(13)(B) of title 10, United States Code.

“Son or daughter on active duty or call to active duty status” means the employee's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the employee stood in loco parentis, who is on active duty or call to active duty status, and who is of any age.

Certification¹⁴

The District may require the eligible employee to obtain certification to help the district determine if the requested leave qualifies for FMLA leave for the purposes of a qualifying exigency. The District may deny FMLA leave if an eligible employee fails to provide requested certification.

Employee Notice to District

Foreseeable Leave:

When the necessity for leave for any qualifying exigency is foreseeable, whether because the spouse, son, daughter, or parent of the employee is on covered active duty, or because of notification of an impending call or order to covered active duty, the employee shall provide such notice to the District as is reasonable and practicable regardless of how far in advance the leave is foreseeable. As soon as practicable means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case.

Unforeseeable Leave:

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means. If the eligible employee fails to notify the District as required unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

Substitution of Paid Leave

When an employee's leave has been designated as FMLA leave any qualifying exigency, the District requires employees to substitute accrued vacation, or personal leave for the period of FMLA leave.

Intermittent or Reduced Schedule Leave

Eligible employees may take intermittent or reduced schedule leave for any qualifying exigency. The employee shall provide the district with as much notice as is practicable.

Leave taken by an eligible instructional employees more than 5 weeks prior to end of the semester

If an eligible, instructional employee begins leave due to any qualifying exigency more than 5 weeks prior to the end of the semester, the District may require the employee to continue taking leave until the end of the semester, if

- (A) the leave is of at least 3 weeks duration; and
- (B) the return to employment would occur during the 3-week period before the end of the semester.

If the District chooses to require the eligible, instructional employee to stay on leave until the end of the semester, only the portion of the leave until the employee is ready and able to return to work shall be charged against the employee's FMLA leave entitlement.

SERIOUS ILLNESS

An eligible employee is eligible for leave to care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury under the following conditions and definitions.

Definitions:

"Covered Service Member" is:

1. a member of the Armed Forces, including a member of the National Guard or Reserves, who is a undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
2. a veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of five (5) years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

Outpatient Status: used in respect to a covered service member, means the status of a member of the Armed Forces assigned to

- A) a military medical treatment facility as an outpatient; or
- B) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.

"Parent of a covered servicemember" is a covered servicemember's biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the covered servicemember. This term does not include parents "in law."

"Serious Injury or Illness":

- (A) in the case of a member of the Armed Forces, including the National Guard or Reserves, it means an injury or illness incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating and

(B) in the case of a veteran who was a member of the Armed Forces, including a member of the National Guard of Reserves, at any time during a period as a covered service member defined in this policy, it means a qualifying (as defined by the U.S. Secretary of Labor) injury or illness that was incurred by the member in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and that manifested itself before or after the member became a veteran.

“Son or daughter of a covered servicemember” means a covered servicemember's biological, adopted, or foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age.²

“Year”, for leave to care for the serious injury or illness of a covered service member, the twelve (12) month period begins on the first day the eligible employee takes FMLA leave to care for a covered service member and ends 12 months after that date.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a **covered service member** shall be entitled to a total of 26 weeks of leave during one 12-month period to care for the service member who has a serious injury or illness as defined in this policy. An eligible employee who cares for such a covered service member continues to be limited for reasons 1 through 4 in Section One and for any qualifying exigency to a total of 12 weeks of leave during a year as defined in this policy. For example, an eligible employee who cares for such a covered service member for 16 weeks during a 12 month period could only take a total of 10 weeks for reasons 1 through 4 in Section One and for any qualifying exigency. An eligible employee may not take more than 12 weeks of FMLA leave for reasons 1 through 4 in Section One and for any qualifying exigency regardless of how little leave the eligible employee may take to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury.

If husband and wife are both eligible employees employed by the District, the husband and wife are entitled to a combined total of 26 weeks of leave during one 12-month period to care for their spouse, son, daughter, parent, or next of kin who is a **covered service member** with a serious injury or illness as defined in this policy. A husband and wife who care for such a covered service member continues to be limited to a combined total of 12 weeks FMLA leave for reasons 1 through 3 in Section One and for any qualifying exigency during a year as defined in this policy. For example, a husband and wife who are both eligible employees and who care for such a covered service member for 16 weeks during a 12 month period could only take a combined total of 10 weeks for reasons 1 through 3 in Section One and for any qualifying exigency.

Medical Certification

The District may require the eligible employee to obtain certification of the covered service member's serious health condition to help the District determine if the requested leave qualifies for FMLA leave. The District may deny FMLA leave if an eligible employee fails to provide requested certification.

Employee Notice to District

Foreseeable Leave:

When the need for leave to care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury is clearly foreseeable at least 30 days in advance, the employee shall provide the District with not less than 30 days' notice before the date the leave is to begin of the employee's intention to take leave for the specified reason. An eligible employee who has no reasonable excuse for his/her failure to provide the District with timely advance notice of the need for FMLA leave may delay the FMLA coverage of such leave until 30 days after the date the employee provides notice.

If the need for FMLA leave is foreseeable less than 30 days in advance, the employee shall notify the District as soon as practicable. If the employee fails to notify as soon as practicable, the District may delay granting FMLA leave for the length of time that the employee should have provided notice and when the employee actually gave notice.

When the need for leave is to care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury, the employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the district subject to the approval of the health care provider of the spouse, son, daughter, or parent of the employee.

Unforeseeable Leave:

When the approximate timing of the need for leave is not foreseeable, an employee shall provide the District notice of the need for leave as soon as practicable given the facts and circumstances of the particular case. Ordinarily, the employee shall notify the District within two (2) working days of learning of the need for leave, except in extraordinary circumstances where such notice is not feasible. Notice may be provided in person, by telephone, telegraph, fax, or other electronic means. If the eligible employee fails to notify the District as required unless the failure to comply is justified by unusual circumstances, the FMLA leave may be delayed or denied.

Substitution of Paid Leave

When an employee's leave has been designated as FMLA leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury, the District requires employees to substitute accrued sick, vacation, or personal leave for the period of FMLA leave.

Intermittent or Reduced Schedule Leave

To the extent practicable, employees requesting intermittent or reduced schedule leave to care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury shall provide the District with not less than 30 days' notice, before the date the leave is to begin, of the employee's intention to take leave.

Eligible employees may take intermittent or reduced schedule FMLA leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury when the medical need is best

accommodated by such a schedule. The eligible employee shall make a reasonable effort to schedule the treatment so as not to disrupt unduly the operations of the employer, subject to the approval of the health care provider.

When granting leave on an intermittent or reduced schedule to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury that is foreseeable based on planned medical treatment, the District may temporarily transfer non-instructional eligible employees for the period of scheduled intermittent or reduced leave to an alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. The alternative position shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began. Specifically, upon returning from FMLA leave, an employee may be assigned to another position that is not necessarily the same as the employee's former job assignment. The employee will not be required to take more FMLA leave than necessary to address the circumstances requiring the need for the leave.

If an eligible employee who meets the definition of an instructional employee requests intermittent or reduced schedule leave to care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury that is foreseeable based on planned medical treatment and the employee would be on leave for greater than 20 percent of the total number of working days in the period during which the leave would extend, the District may require the employee to choose either

- a. to take medical leave for periods of a particular duration, not to exceed the duration of the planned medical treatment; or
- b. to transfer temporarily to an available alternative position offered by the employer for which the employee is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave than the regular employment position of the employee.

If the employee chooses to transfer to an alternative position it shall have equivalent pay and benefits but does not have to have equivalent duties. When the employee is able to return to full-time work, the employee shall be placed in the same or equivalent job as he/she had when the leave began. Specifically, upon returning from FMLA leave, a teacher may be assigned to another position that is not necessarily the same as the teacher's former job assignment. The employee will not be required to take more FMLA leave than necessary to address the circumstances the required the need for the leave.

An eligible instructional employee, who needs intermittent leave or leave on a reduced leave schedule leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury, may not be transferred to an alternative position during the period of the employee's intermittent or reduced leave schedule if, based on the foreseeable planned medical treatment, the employee would be on leave for 20 percent or less of the total number of working days over the period the leave would extend.

Leave taken by eligible instructional employees near the end of the academic semester

In any of the following scenarios, if the district chooses to require the eligible, instructional employee to stay on leave until the end of the semester, only the portion of the leave until the employee is ready and able to return to work shall be charged against the employee's FMLA leave entitlement. The excess non-FMLA leave will not be considered excessive absenteeism.

Leave more than 5 weeks prior to end of the semester

If the eligible, instructional employee begins leave, for any qualifying exigency or to care for a spouse, child, parent or next of kin who is a covered servicemember with a serious illness or injury more than 5 weeks prior to the end of the semester, the District may require the employee to continue taking leave until the end of the semester, if

(A) the leave is of at least 3 weeks duration; and

(B) the return to employment would occur during the 3-week period before the end of the semester.

Leave less than 5 weeks prior to end of the semester

If the eligible, instructional employee begins leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury during the period that commences 5 weeks prior to the end of the semester, the District may require the employee to continue taking leave until the end of the semester, if

(A) the leave is of greater than 2 weeks duration; and

(B) the return to employment would occur during the 2-week period before the end of the semester.

Leave less than 3 weeks prior to end of the semester

If the eligible, instructional employee begins leave to care for a spouse, child, parent or next of kin who is a covered service member with a serious illness or injury during the period that commences 3 weeks prior to the end of the semester and the duration of the leave is greater than 5 working days, the District may require the employee to continue to take leave until the end of the semester.

3.38—LICENSED PERSONNEL RESPONSIBILITIES GOVERNING BULLYING

Teachers and other school employees who have witnessed, or are reliably informed that, a student has been a victim of bullying as defined in this policy, including a single action which if allowed to continue would constitute bullying, shall report the incident(s) to the principal. The principal or his/her designee shall be responsible for investigating the incident(s) to determine if disciplinary action is warranted.

The person or persons reporting behavior they consider to be bullying shall not be subject to retaliation or reprisal in any form.

District staff are required to help enforce implementation of the district's anti-bullying policy. The district's definition of bullying is included below. Students who bully another person are to be held accountable for their actions whether they occur on school equipment or property; off school property at a school-sponsored or school-approved function, activity, or event; or going to or from school or a school activity. Students are encouraged to report behavior they consider to be bullying, including a single action which if allowed to continue would constitute bullying, to their teacher or the building principal. The report may be made anonymously.

A school principal or his or her designee who receives a credible report or complaint of bullying shall promptly investigate the complaint or report and make a record of the investigation and any action taken as a result of the investigation.

3.40—LICENSED PERSONNEL DUTY TO REPORT CHILD ABUSE, MALTREATMENT OR NEGLECT

It is the statutory duty of licensed school district employees who have reasonable cause to suspect child abuse or maltreatment to directly and personally report these suspicions to the Arkansas Child Abuse Hotline, by calling 1-800-482-5964. Failure to report suspected child abuse, maltreatment or neglect by calling the Hotline can lead to criminal prosecution and individual civil liability of the person who has this duty. Notification of local or state law enforcement does not satisfy the duty to report; only notification by means of the Child Abuse Hotline discharges this duty.

The duty to report suspected child abuse or maltreatment is a direct and personal duty, and cannot be assigned or delegated to another person. There is no duty to investigate, confirm or substantiate statements a student may have made which form the basis of the reasonable cause to believe that the student may have been abused or subjected to maltreatment by another person; however, a person with a duty to report may find it helpful to make a limited inquiry to assist in the formation of a belief that child abuse, maltreatment or neglect has occurred, or to rule out such a belief^d. Employees and volunteers who call the Child Abuse Hotline in good faith are immune from civil liability and criminal prosecution.

By law, no school district or school district employee may prohibit or restrict an employee or volunteer from directly reporting suspected child abuse or maltreatment, or require that any person notify or seek permission from any person before making a report to the Child Abuse Hotline.

3.41—LICENSED PERSONNEL VIDEO SURVEILLANCE AND OTHER MONITORING

The Board of Directors has a responsibility to maintain discipline, protect the safety, security, and welfare of its students, staff, and visitors while at the same time safeguarding district facilities, vehicles, and equipment. As part of fulfilling this responsibility, the board authorizes the use of video/audio surveillance cameras, automatic identification, data compilation devices, and technology capable of tracking the physical location of district equipment, students, and/or personnel.

The placement of video/audio surveillance cameras shall be based on the presumption and belief that students, staff and visitors have no reasonable expectation of privacy anywhere on or near school property, facilities, vehicles, or equipment, with the exception of places such as rest rooms or dressing areas where an expectation of bodily privacy is reasonable and customary.

Signs shall be posted on district property and in or on district vehicles to notify students, staff, and visitors that video cameras may be in use. Violations of school personnel policies or laws caught by the cameras and other technologies authorized in this policy may result in disciplinary action.

The district shall retain copies of video recordings until they are erased which may be accomplished by either deletion or copying over with a new recording.

Videos, automatic identification, or data compilations containing evidence of a violation of district personnel policies and/or state or federal law shall be retained until the issue of the misconduct is no longer subject to review or appeal as determined by board policy or staff handbook; any release or viewing of such records shall be in accordance with current law.

Staff who vandalize, damage, defeat, disable, or render inoperable (temporarily or permanently) surveillance cameras and equipment, automatic identification, or data compilation devices shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities.

Video recordings and automatic identification or data compilation records may become a part of a staff member's personnel record.

3.42—OBTAINING and RELEASING STUDENT’S FREE AND REDUCED PRICE MEAL ELIGIBILITY INFORMATION

Obtaining Eligibility Information

A fundamental underpinning of the National School Lunch and School Breakfast Programs (Programs) is that in their implementation, there will be no physical segregation of, discrimination against, or overt identification of children who are eligible for the Program's benefits. While the requirements of the Programs are defined in much greater detail in federal statutes and pertinent Code of Federal Regulations, this policy is designed to help employees understand prohibitions on how the student information is obtained and/or released through the Programs. Employees with the greatest responsibility for implementing and monitoring the Programs should obtain the training necessary to become fully aware of the nuances of their responsibilities.

The District is required to inform households with children enrolled in District schools of the availability of the Programs and of how the household may apply for Program benefits. However, the District and anyone employed by the district is **strictly forbidden** from **requiring** any household or student within a household from submitting an application to participate in the program. There are NO exceptions to this prohibition and it would apply, for example, to the offer of incentives for completed forms, or disincentives or negative consequences for failing to submit or complete an application. Put simply, federal law requires that the names of the children shall not be published, posted or announced in any manner.

In addition to potential federal criminal penalties that may be filed against a staff member who violates this prohibition¹, the employee shall be subject to discipline up to and including termination.

Releasing Eligibility Information

As part of the district’s participation in the National School Lunch Program and the School Breakfast Program, the district collects eligibility data from its students. The data’s confidentiality is very important and is governed by federal law. The district has made the determination to release student eligibility status or information² as permitted by law. Federal law governs how eligibility data may be released and to whom. The district will take the following steps to ensure its confidentiality:

Some data may be released to government agencies or programs authorized by law to receive such data without parental consent, while other data may only be released after obtaining parental consent. In both instances, allowable information shall only be released on a need to know basis to individuals authorized to receive the data. The recipients shall sign an agreement with the district specifying the names or titles of the persons who may have access to the eligibility information. The agreement shall further specify the specific purpose(s) for which the data will be used and how the recipient(s) shall protect the data from further, unauthorized disclosures.

The superintendent shall designate the staff member(s) responsible for making eligibility determinations. Release of eligibility information to other district staff shall be limited to as few individuals as possible who shall have a specific need to know such information to perform their job responsibilities. Principals, counselors, teachers, and administrators shall not have routine access to eligibility information or status.

Each staff person with access to individual eligibility information shall be notified of their personal liability for its unauthorized disclosure and shall receive appropriate training on the laws governing the restrictions of such information.

3.44—LICENSED PERSONNEL WORKPLACE INJURIES AND WORKERS' COMPENSATION

The district provides Workers' Compensation Insurance, as required by law. Employees who sustain **any** injury at work must immediately notify their immediate supervisor, or in the absence of their immediate supervisor notify the superintendent's office. An injured employee must fill out a Form N and the employee's supervisor will determine whether to report the claim or to file the paperwork if the injury requires neither medical treatment or lost work time. While many injuries will require no medical treatment or time lost at work, should the need for treatment arise later, it is important that there be a record that the injury occurred. All employees have a duty to provide information and make statements as requested for the purposes of the claim assessment and investigation.

For injuries requiring medical attention, the district will exercise its right to designate the initial treating physician and an injured employee will be directed to seek medical attention, if necessary, from a specific physician or clinic.

A Workers' Compensation absence may run concurrently with FMLA leave (policy 3.32) when the injury is one that meets the criteria for a serious health condition. To the extent that workers' compensation benefits and FMLA leave run concurrently, the employee will be charged for any paid leave accrued by the employee at the rate necessary to bring the total amount of combined income up to 100% of usual contracted daily rate of pay. If the health care provider treating the employee for the workers compensation injury certifies the employee is able to return to a "light duty job," but is unable to return to the employee's same or equivalent job, the employee may decline the District's offer of a "light duty job." As a result, the employee may lose his/her workers' compensation payments, but for the duration of the employee's FMLA leave, the employee will be paid for the leave to the extent that the employee has accrued applicable leave.

Employees who are absent from work in the school district due to a Workers' Compensation claim may not work at a non-district job until they have returned to full duties at their same or equivalent district job; those who violate this prohibition may be subject to discipline up to and including termination. This prohibition does NOT apply to an employee whose has been cleared by his/her doctor to return to "light duty" but the District has no such position available for the employee and the employee's second job qualifies as "light duty".

To the extent an employee has accrued sick leave and a WC claim has been filed:

- the employee will be charged for a day's sick leave for the all days missed until such time as the WC claim has been approved or denied;
- to bring the total amount of combined income up to 100% of the employee's usual contracted daily rate of an employee whose WC claim is accepted by the WC insurance carrier as compensable and who is absent for eight or more days shall be charged sick leave at the rate necessary, when combined with WC benefits, pay;
- an employee whose WC claim is accepted by the WC insurance carrier as compensable and is absent for 14 or more days will be credited back that portion of sick leave for the first seven (7) days of absence that is not necessary to have brought the total amount of combined income up to 100% of the employee's usual contracted gross pay.

3.45—LICENSED PERSONNEL SOCIAL NETWORKING AND ETHICS

Definitions

Social Media Account: a personal, individual, and non-work related account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as FaceBook, Twitter, LinkedIn, MySpace, or Instagram.

Professional/education Social Media Account: an account with an electronic medium or service where users may create, share, or view user-generated content, including videos, photographs, blogs, podcasts, messages, emails or website profiles or locations, such as FaceBook, Twitter, LinkedIn, MySpace, or Instagram.

Blogs: are a type of networking and can be either social or professional in their orientation. Professional blogs are encouraged and can provide a place for teachers to post homework, keep parents up-to-date, and interact with students concerning school related activities. Social blogs are discouraged to the extent they involve teachers and students in a non-education oriented format.

Policy

Technology used appropriately gives faculty new opportunities to engage students. District staff are encouraged to use educational technology, the Internet, and professional/education social networks to raise student achievement and to improve communication with parents and students. Technology and social media accounts also offer staff many ways they can present themselves unprofessionally and/or interact with students inappropriately.

It is the duty of each staff member to appropriately manage all interactions with students, regardless of whether contact or interaction with a student occurs face-to-face or by means of technology, to ensure that the appropriate staff/student relationship is maintained. This includes instances when students initiate contact or behave inappropriately themselves.

Public school employees are, and always have been, held to a high standard of behavior. Staff members are reminded that whether specific sorts of contacts are permitted or not specifically forbidden by policy, they will be held to a high standard of conduct in all their interactions with students. Failure to create, enforce and maintain appropriate professional and interpersonal boundaries with students could adversely affect the District's relationship with the community and jeopardize the employee's employment with the district.

The Arkansas Department of Education *Rules Governing the Code of Ethics for Arkansas Educators* requires District staff to maintain a professional relationship with each student, both in and outside the classroom. The School Board of Directors encourages all staff to read and become familiar with the Rules. Conduct in violation of the *Rules Governing the Code of Ethics for Arkansas Educators*, including, but not limited to conduct relating to the inappropriate use of technology or online resources, may be reported to the Professional License Standards Board (PLSB) and may form the basis for disciplinary action up to and including termination.

Staff members are discouraged from creating personal social media accounts to which they invite students to be friends or followers. Employees taking such action do so at their own risk and are advised to monitor the site's privacy settings regularly. Employees shall not post pictures/video/audio of students on social media sites without written permission of the student and his/her parent or guardian.

District employees may set up blogs and other professional/education social media accounts using District resources and following District guidelines to promote communications with students, parents, and the community concerning school-related activities and for the purpose of supplementing classroom instruction. Accessing professional/education social media during school hours is permitted.

Staff are reminded that the same relationship, exchange, interaction, information, or behavior that would be unacceptable in a non-technological medium, is unacceptable when done through the use of technology. In fact, due to the vastly increased potential audience that digital dissemination presents, extra caution must be exercised by staff to ensure they don't cross the line of acceptability. A good rule of thumb for staff to use is, "if you wouldn't say it in class, don't say it online."

Whether permitted or not specifically forbidden by policy, or when expressed in an adult-to-adult, face-to-face context, what in other mediums of expression could remain private opinions, including "likes" or comments that endorse or support the message or speech of another person, when expressed by staff on a social media website, have the potential to be disseminated far beyond the speaker's desire or intention. This could undermine the public's perception of the individual's fitness to educate students, thus undermining the teacher's effectiveness. In this way, the expression and publication of such opinions could potentially lead to disciplinary action being taken against the staff member, up to and including termination or nonrenewal of the contract of employment.

Accessing social media websites for personal use during school hours is prohibited, except during breaks or preparation periods. Staff are discouraged from accessing social media websites on personal equipment during their breaks and/or preparation periods because, while this is not prohibited, it may give the public the appearance that such access is occurring during instructional time. Staff shall not access social media websites using district equipment at any time, including during breaks or preparation periods, except in an emergency situation or with the express prior permission of school administration. All school district employees who participate in social media websites shall not post any school district data, documents, photographs taken at school or of students, logos, or other district owned or created information on any website. Further, the posting of any private or confidential school district material on such websites is strictly prohibited.

Specifically, the following forms of technology based interactivity or connectivity are expressly permitted or forbidden:

Privacy of Employee's Social Media Accounts

In compliance with A.C.A. § 11-2-124, the District shall not require, request, suggest, or cause a current or prospective employee to:

1. Disclose the username and/or password to his/her personal social media account;
2. Add an employee, supervisor, or administrator to the list of contacts associated with his/her personal social media account;
3. Change the privacy settings associated with his/her personal social media account; or

4. Retaliate against the employee for refusing to disclose the username and/or password to his/her personal social media account.

The District may require an employee to disclose his or her username and/or password to a personal social media account if the employee's personal social media account activity is reasonably believed to be relevant to the investigation of an allegation of an employee violating district policy, or state, federal or local laws or regulations. If such an investigation occurs, and the employee refuses, upon request, to supply the username and/or password required to make an investigation, disciplinary action may be taken against the employee, which could include termination or nonrenewal of the employee's contract of employment with the District.

Notwithstanding any other provision in this policy, the District reserves the right to view any information about a current or prospective employee that is publicly available on the Internet.

In the event that the district inadvertently obtains access to information that would enable the district to have access to an employee's personal social media account, the district will not use this information to gain access to the employee's social media account. However, disciplinary action may be taken against an employee in accord with other District policy for using district equipment or network capability to access such an account. Employees have no expectation of privacy in their use of District issued computers, other electronic device, or use of the District's network. (See policy 3.28—LICENSED PERSONNEL COMPUTER USE POLICY)

3.49---TEACHERS' REMOVAL OF STUDENT FROM CLASSROOM

Note and advisement: This policy is adopted by the Board of Directors in order to bring the District into compliance with ADE rules concerning student discipline, and to incorporate the provisions of A.C.A. § 6-18-511. However, teachers should be aware that federal law governing a student's

Individual Education Program (IEP) or 504 plan, or status as an individual with a disability will supersede Arkansas law. In many cases, removing a student from a classroom due to behavioral problems, will violate a student's IEP, violate a student's 504 plan, or constitute discrimination against the student due to a disability that affects the student's ability to conform his or her behavior. Teachers have been successfully sued for IEP and 504 plan violations in other jurisdictions, and teachers need to understand that violating a student's rights is outside of the scope of his or her employment, and no insurance is available or provided by the school district for either legal defense or to pay a money judgment. Teachers who rely on this law and this policy to exclude a student with special needs or a disability are assuming a grave personal risk.

A teacher may remove a student from class whose behavior the teacher has documented to be repeatedly interfering with the teacher's ability to teach the students in the class or whose behavior is so unruly, disruptive or abusive that it interferes with the ability of the student's other classmates to learn. Students who have been removed from their classroom by a teacher shall be sent to the principal's or principal's designee's office for appropriate discipline.

The teacher's principal or the principal's designee may:

1. Place the student into another appropriate classroom;
2. Place the student into in-school suspension;
3. Place the student into the District's alternative learning environment;
4. Return the student to the class; or
5. Take other appropriate action consistent with the District's student discipline policies and state and federal law.

If a teacher removes a student from class two (2) times during any nine-week grading period, the principal or the principal's designee may not return the student to the teacher's class unless a conference has been held for the purpose of determining the cause of the problem and possible solutions. The conference is to be held with the following individuals present:

1. The principal or the principal's designee;
2. The teacher;
3. The school counselor;
4. The parents, guardians, or persons in loco parentis; and
5. The student, if appropriate.

However, the failure of the parents, guardians, or persons in loco parentis to attend the conference does not prevent any action from being taken as a result of the conference.

Continuing Administrators

The Superintendent or designee shall determine and notify in writing by August 31 of each year those currently employed administrators who will be responsible for conducting Teacher Excellence Support System (hereinafter TESS) summative evaluations who are not currently qualified to fulfill that role. All currently employed administrators so notified shall have until December 31 of the contract year to successfully complete all training and certification requirements for evaluators as set forth by the Arkansas Department of Education (ADE). It shall constitute just and reasonable cause for nonrenewal of the contract of employment for any administrator who is required to obtain and maintain TESS evaluator certification, as a term and condition of employment, to fail to do so by December 31 of any contract year. No administrator may conduct a summative evaluation unless they have successfully completed all training and certification requirements for evaluators required by the ADE.

Newly Hired or Promoted Administrators

All newly hired or newly promoted administrators, as a term and condition of their acceptance of their contract of employment for their administrative position, are required to obtain and maintain evaluator certification for TESS on or before December 31 of the initial administrative contract year, unless they are explicitly excused from such a contractual requirement by board action at the time of the hire or promotion. It shall constitute just and reasonable cause for nonrenewal of the contract of employment for any newly hired or newly promoted administrator who is required to obtain and maintain TESS evaluator certification, as a term and condition of employment, to fail to do so by December 31 of any contract year. No administrator may conduct a summative evaluation unless they have successfully completed all training and certification requirements for evaluators required by the ADE.
